CRACK DEALS HIDE RET GOVERNMENT

March 31.—“Private car was the term United States Coast Guard used for Copeland used in dealing with big business government officials, in a group of shipping men and the private car of Harlan, who was pulled into Three Rivers, Tenn., the home of the secret interior, and out of the country in that car there developed deal whereby the great oil field, which had been a reserve for our navy and marine, was leased to an oil company,” said Sena-

the people against
of such acts of secret
there is needed the light
in all affairs that concern

IN TEXTILE MILLS.

C., March 31.—This state
textile mills than any other
Union, according to State
of Labor Shipman. While
de with 283 cotton mills,
holds first place in the
of textile products manu-
Shipman said.

ists are associating these
the present unionization
on textile workers. The
acturers have made profits
fondest dream, but they
tion to employee, who as

...to realize that they
upon themselves. The
re using every device and
every prejudice to stay
out, but their efforts, al-
though because they run coun-
cils necessity. Trade un-
ions the far-sighted em-
textile industry to accept
rather than waste time and
warring.

ON SOLID GROUND.

St. Louis, March 31.—"The po-
tential unions, after the fight
the past two years, is over
solid base," said A. F. of
Flett at an organization
the local trade and labor
declared the unions have
over one step because of

UNIONS TO MEET.

Wis., March 31.—The annulment of the Wisconsin state convention of labor will be held in this city of July 17.

Texas, March 31.—The twenty-fifth annual convention of the Texas union of labor will be held in Austin Monday, May 31.

IN WOOL CLOTH.

March 31.—President Wood of the American woolen company, known as the trust, reports bigger earnings than for any year since 1906. Net profits were \$9,583,956, and the company paid \$1,000,000 for taxes and contingencies.

OIL PROFITS.
